**To potential investors**

*About cooperation*

**Ladies and gentlemen!**

The II stage of XI Investment and Innovation Roundtable "Kremenchuk invites for cooperation" took place on the 23<sup>rd</sup> of January 2013 in the city of Kremenchuk. The event was organized by [Executive Committee of Kremenchuk City Council](#), [Association for Promotion of International Business and Development](#), UE «Kremenchuk Center for International Relations and Economic Development «Kremenchuk Invest» and [Poltava Regional Center of Investments and Development](#).

During the event it was taken a decision about the following immediate steps to attract investment in the Industrial Park "Central", Kremenchuk, namely:

- Search for a management company that would undertake the function of attracting investments in the Industrial Park "Central", Kremenchuk, according to the "Concept of Industrial Park Central Kremenchuk";

- Industrial enterprises of the city of Kremenchuk will provide own Brownfield - resources for potential investors, including: [PJSC "Kremenchug Wheel Plant"](#), [JSC "Kryukiv Railcar Plant"](#), [PJSC "Kredmash"](#);

- Attracting investors to the industrial park "Central", Kremenchuk by municipal enterprise "Kremenchuk Center for International Relations and Economic Development" Kremenchuk Invest and Poltava Regional Center for Investment and Development.

We invite you to invest to the Industrial Park "Central", Kremenchuk.

We look forward to mutually beneficial cooperation!

In addition we send the presentation "The potential of automotive industry in Poltava region" and "The Concept of Industrial Park "Central", Kremenchuk."

**Yours sincerely,  
Director of Regional Center  
of Investments and Development**
